GROUP

Awesome music for amazing events

#designedforyou

About Us

Potter Group is a leading designer brand in wedding, corporate and private events. We specialise in experienced professional nightclub

DJs, MCs, Event Lighting and Event Audio we pride ourselves on our sophisticated, high-quality service. We love what we do!

Neil Harrison

Neil is a respected figure in the music industry, comfortable with all genres of music and knows how to work a crowd and dance floor.

Matt Potter

Over 30 years experience as a nightclub DJ, Matt keeps a range of clients entertained and the dance floor full at any event.

What We Do

First and foremost we are experienced nightclub DJs with a passion for quality music. We ensure the dance floor is kept full **all night long** using a range of genres, from Motown to R'n'B, from Pop classics to House anthems. Using over 20 years experience, we are experts in transforming and enhancing venues. No matter what the type, or size, our large selection of event lighting and AV products are perfect for most venues.

Benefit from our impressive state of the art AV technology which is continuously enhanced and updated to ensure your event looks and sounds the best it can be.

By booking Potter Group, you can also benefit from exclusive access to our network of **elite industry** professionals including lighting designers, marquee experts, DJ's, event managers, entertainment managers and event hosts.

What our clients say

Mr Kennedy

A huge thank you for DJing at my 50th Birthday, the music was spot on! Our guests danced all night they absolutely loved it! Thank you for creating wonderful memories.

Miss K Selleck

My 40th was simply amazing thanks to your amazing set! Thanks a million Matt. x

Mr Green

You mixed up my playlist like an absolute pro! So many amazing memories! Thanks guys!
